SENATOR SCHMIT: Well I really don't know at this time because he said he had a letter for me, but he doesn't have it here yet. He was going to come over today, but I have not heard from him. So I would prefer to wait if we could.

SENATOR KEYES: Well if you bracket the bill I'll just let my amendments sit up there. After I listen to what Senator ... Mr. Kreuscher wants to do, I certainly will. I don't want to hurt, nor do I want to interfere, with the movement of livestock in this state and add expense to it.

SENATOR SCHMIT: Do you have objection to our advancing the bill and letting it stay on Select File? There's no objection on your part, Senator Keyes?

SENATOR KEYES: Can I have a question of the Clerk ... or the Chair?

PRESIDENT: Yes.

SENATOR KEYES: If we advance it can I reintroduce my amendments to it on Select File? I don't care whether I take it on on Select File, General File, E & R or Final Reading. Can I withdraw my amendments now and reintroduce them on Select File?

PRESIDENT: Yes.

SENATOR KEYES: OK, thank you.

SENATOR SCHMIT: Thank you, Senator Keyes. Then if there are no further objections I would move the bill be advanced to E & R.

PRESIDENT: You've heard the motion. Any discussion? Record your vote. Record.

CLERK: 27 more or less, Mr. President. My machine is off.

PRESIDENT: Senator Burbach, do you want to take up LB 188? Yes Senator?

SENATOR BURBACH: Do we have any bill that we can discuss that is on General File, other than those that are bracketed for a date certain? If you'll bear with me for about three minutes, I'll be ready to unbracket LB 180A which I bracketed yesterday for either the 28th or the 29th of this month. In order to process some of our ... the 28th. I would like to move to unbracket LB 180A and discuss it at this time.

PRESIDENT: There's been a request for unanimous consent to unbracket LB 180A. Any objections? Seeing none, it's unbracketed.

CLERK: Read title to 180A. Mr. President, the bill was first considered in February of '75. There was a motion at that time by Senator Skarda to indefinitely postpone the bill. That motion is still pending.
